DAWN envisions an America where people with disabilities are defined not by what they can't do but rather by what they can do. In DAWN's vision, people with disabilities don't have to dream about self-determination, choice, and respect; it's a reality!

DAWN's vision

About DAWN Center for Independent Living

DAWN Center for Independent Living, Inc., is a grassroots, consumer-driven, and consumer-controlled nonprofit organization promoting self-direction in order to create, expand, and implement equal-access opportunities by and for people with disabilities. DAWN serves people with disabilities in the New Jersey counties of Morris, Sussex, and Warren empowering them to define their needs and goals while providing the necessary support and guidance to realize them. All of DAWN's programs and services embody the principles of the Independent Living Philosophy.
