

ADAPTIVE SPORTS

OUR LEAGUE

Ready to turn your adventurous spirit into something unforgettable?

The NJ Blues are kicking off an exciting new season, and there's no better time to jump in! Join us for an exhibition game on Sunday, May 17th at 3 PM, then keep the momentum going with weekly sessions on Tuesday evenings from 5/19 through 8/25.

Whether you're bouncing back from an injury, stepping off the sidelines, or just looking to try something new and fun—we've got a spot for you. This is your chance to move, connect, and play in a supportive, high-energy environment.

Come experience the thrill of the game, meet great people, and enjoy the outdoors at beautiful Morris County's Challenger Field at Central Park.

Let's play ball—your new season starts here!
